at Centre Friends Meeting; reservations due 9/4/22**

PRESIDENT'S MESSAGE

Janet Robbins

July has held many meanings over my lifetime. As I was growing up, it was a time to get up early while the dew was still on the grass and go help prime tobacco for my uncle. It was also a time to work in the garden, break green beans, pick and freeze corn and can pickles with my Mom.

This year I got to experience some of my past farm life with my grandchildren. Passing on to the next generation a part of my past gave me such a grateful heart. It was so much fun to work together as a family to prepare food that would give us a meal in the months ahead.

This week in July an unexpected event occurred. Over my entire lifetime, I had never seen baby twin calves be born on our farm. This week we had 2 sets of twins. One set of twins was welcomed by the mother cow but the other cow rejected one of her babies. The next morning after a terrible rainstorm, we did not see one of the calves. My husband, the veterinarian, immediately knew what he had to do. He walked the pasture in search of the calf. He prayed that he would find the baby calf alive and well.

Shortly after under a tree the calf to a supplement and named her bottle 3 times a Firecracker 4th of July and energy and morning for us she fills up on

welcomes a hug and pat on the head. It reminds me of our new USFW theme for 2022-2023, "Abounding in Hope." Just as she puts her trust in us, we also can put our trust in God to fill us with joy and peace so that we may overflow with hope by the power of the Holy Spirit. Romans 15:13.

Our NC USFW Annual Gathering is quickly approaching on September 17 at Centre Friends. The Friends Disaster Service will have our program and we will also be collecting money from our gratitude calendar coin food ministry. I am hoping that you enjoyed using the gratitude calendar from the Right Sharing of World Resources website to be able to count your blessings and collect coins to help with hunger in Turkana, Ukraine and other parts of the world. Please bring your donation to the Annual Gathering at Centre on Sept 17th and help us spread hope and love to others.

CHILDREN AND YOUTH EDUCATION

Denise E. Barnes

Back to School!

“Then He asked them, “Who do you say I am ?” Simon Peter answered, “You are the Messiah, the Son of the living God.” - Matthew 16: 15-16

It’s back-to-school time again! Some of you are feeling excited about a new school year, while others may be sad that summer is almost over. You might be a little nervous or scared about going back to school because of all of the new things you will experience. You will have new teachers, some new friends, and some may even be going to a new school! On the first day, the teacher may ask some questions to find out how much you already know. When you know the answer to the questions she asks, you might get excited, wave your hand in the air and say, “I know! I know!” It’s a great feeling when you know the answer!

Did you know that the disciples went back to school, too? Can you guess who their teacher was? Yes! Jesus was their teacher! He often took his disciples aside to teach them important things about the Kingdom of God.

On this particular day, Jesus began His lesson by asking them a question. “Who do men say that I am?” Jesus asked. I can see one of the disciples raising his hand and saying, “I know! Some say you are John the Baptist.” Then another disciple raised his hand and said, “I know! Some people say you are Elijah.” Once again, another disciple raised his hand and said, “I know! They say you are either Jeremiah or one of the other prophets.”

Jesus then said, “Very good! That is what other people are saying, but who do you say that I am?” Peter was so excited that he may have forgotten to raise his hand. He called out, “You are the Christ, the Son of the living God!” “You are right, Peter”, said Jesus. “ You didn’t learn that from listening to other people. It was taught to you by my Father in heaven.”

The lesson that the disciples learned that day is just as important today as it was many years ago. There are many people in the world who still do not know who Jesus is. We all need to be ready with the answer, “He is the Christ, the Son of the living God.”

“Again Jesus spoke to them, saying, “I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life.” – John 8:12

Dear Father, Please be with all of your children as they begin a new school year. Walk with them, keep them safe, and bless them as they embark on new adventures. Amen

*Archdale Friends Meeting held a “Blessing of the Backpacks” on Sunday, August 28th at the 11:00 a.m. worship service.

PEACE AND CHRISTIAN SOCIAL CONCERNS

Linda Kersey

Blessed are the Peacemakers for they shall be called the Children of God. Mark 5:9

My dear sisters of the USFW, this verse is your PLAN and your PROMISE.

Our USFW uses two tools to get their mission out to all women. One is The Advocate and the other is Carolina Woman. Our USFW president, Janet Robbins, wrote in Carolina Woman (March-May 2022) issue. Janet said, “The January February issue of The Advocate inspired me to keep praying and to help promote our giving to our *GREENSHEET PROJECTS*. Our total goal for 2022 was under budgeted by \$10,000. This is mainly the result of smaller USFW groups and less support” (due to the disruption caused by Covid).

Our President called our attention to another article in The Advocate, (Jan/Feb issue) written by Rita Mintmier. It encouraged us to develop ways to involve children in missions. For instance, count the number of water faucets in your home and put a penny in a jar for each one. Or count the number of electrical outlets in your home, put a penny in a jar for each one, and so on. After finishing the project put the money into the missions program for people who have no running water or no electricity.

Previously, I have called your attention to The Advocate and Carolina Woman which we use to communicate information to each other. Now, I want to call your attention to an ongoing project which raises funds for Right Sharing of World Resources (RSWR). It is our Used Stamps Project. How it works: each member saves their used stamps, who give them in to their USFW president who takes, or sends these collected stamps to Friends Emergency Material Assistance Program (FEMAP). FEMAP sends them to RSWR in Richmond, Indiana where some lovely people organize and sell them to stamp collectors. Over the last few years, thousands of dollars have been raised for RSWR from selling used stamps collected by USFW.

Notice this excerpt from Geraldine Brannon’s email: “Hi Linda, Thank you for your report in Carolina Woman. I have some questions on used stamps. Am I correct, that you do not want Forever stamps and any stamps that have the USA flag or anything that pertains to USA?”

My answer: “Any stamps are good. However, the flag stamps are so plentiful that they don’t sell. Any forever stamps are needed. Also, anything with USA on it is good. Foreign stamps are good. The address to send them to is FEMAP, 606 E Springfield Rd., High Point, N.C. 27263”.

Your one question to answer for The Advocate *subscription* and a \$20.00 meal check are:

1. HAVE YOU READ THIS ARTICLE BEFORE? WHERE WAS IT AND WHEN WAS IT?

Email, message, or call me at linx5432@gmail.com or (336) 402-6020.

PLEASE REMEMBER THAT YOU CAN GIVE YOUR SUBSCRIPTION and MONEY AWAY WHERE IT IS NEEDED.

That’s all and GOD BLESS THE PEACEMAKERS.

CHRISTIAN SERVICE

Finding Hope in Today's World

Do you wonder about the value of TRUTH in our world today?
Do you miss the security of TRUST in our governing bodies, both local and national?
Do you feel overwhelmed with news of rising temperatures, hunger/famine in the world, wildfires, diseases, gun violence and tyrants that are provoking wars?

The following devotional thoughts from Fruit of the Vine (6/28/2022) by Micah Bales gives us reason for HOPE.

Philippians 4:4-7 Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

Rejoice, Paul tells us. And be gentle, be thankful. Don't worry. And the key phrase in this passage: **THE LORD IS NEAR.**

Rejoice. It is the nearness of God's living presence within us, the victory of God in Jesus that makes rejoicing not only possible but unavoidable.

Be Gentle. We can be gentle because the Lord is near, because we don't have to make everything turn out right. We don't have to force it. We don't have to be in control. Our job is to love, to speak the truth, to act as the Spirit guides us and as Jesus teaches us.

Be thankful. The nearness of God makes thanksgiving possible—God's creative generosity, renewing and sustaining us each day, inspires our thankfulness in every moment.

Do not worry. We are commanded to give up worry because God is sovereign. God is near, powerful, and loving. God controls our destiny.

Do not worry, not because there is nothing to worry about, but because—in the words of George Fox: “The power of the Lord is over all.” There is an ocean of light and love that flows over the ocean of darkness.

Do not worry, because the troubles we now face are transient, mortal, temporary—but God's promises are unlimited and unconditional. God does not fail, and God will not abandon us.

Rejoice always. Be thankful. Do not worry. Be gentle. The Lord is near—bringing peace.

LITERATURE

Sarah Cox

A Lighthouse

The first known lighthouse was the “Pharos of Alexandria” in Egypt. It was built between 300 and 280 BC. It was about 450 feet tall. This lighthouse was one of the Ancient Wonders of the World. Sadly, it succumbed to earthquakes in the 1300s. There are still many functioning lighthouses in the world that followed the lead of The Pharos of Alexandria.

This summer our family made our annual trip to the beach. During our stay, we went by boat to Southport for lunch. As we arrived, there in front of us was Old Baldy. It is the oldest standing lighthouse in North Carolina. It has been towering over Bald Head Island for over 200 years. Before this lighthouse was built, mariners looked for the “bald head” dunes to help them navigate their way into the Cape Fear River from the Atlantic Ocean. Many ships were wrecked because they failed to find the channel without a light to guide them.

Today, North Carolina has seven standing lighthouses. All of them except Bald Head, which is privately owned, are electronically operated by the US Coast Guard. Think of how many lives have been saved by these seven lighthouses, as well as, all of the other lighthouses all over the world! Their guiding lights have led many a traveler safely home.

One of our books on the 2022-2023 Reading List is Led by the Light by Mary Glenn Hadley. That title reflects how a lighthouse became a symbol of both her dedication to following Jesus in her own life and her commitment to be a light to others. For 20 years, Mary Glenn Hadley served in a Friends mission hospital in Kenya. Her book tells of her struggles and successes in sharing the Light of Christ.

This is only one of the many wonderful books on our Reading List. Please check out our new books and let me know if I can help you in purchasing some of them. There will be a book display at our fall conference on September 17 at Centre Friends or let me know if I can put some books in the mail for you.

Let your light shine!
